4 Montati mecanismul de sub sezut

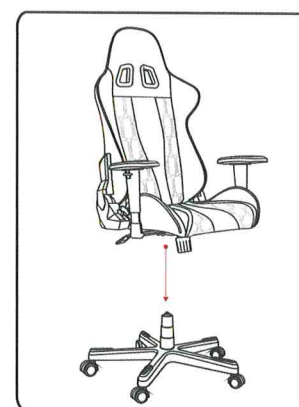

5 Montati roțile

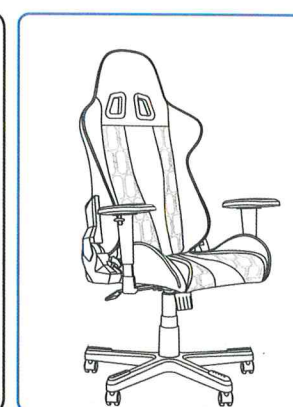

6 Montati pistonul

7 Montati protectia pistonului

8 Asezati scaunul pe piston

Recomandari de utilizare

Asezati-va in centrul scaunului, cu spatele pe spatar.

Nu va asezati la marginea din fata a scaunului.

Nu stati pe scaun.

Nu folositi scaunul cu mai multe persoane.

Nu impingeti scaunul in jur cand o persoana sta in el.

Nu impingeti spatarul in jos atunci cand o persoana este inclinata.

Nu puneti toata greutatea numai pe spatar.

Nu amplasati mana sau degetele langa mecanismul de inclinare.
